

Property Insurance

With a focus on exceptional service and responsiveness, we offer tailored property insurance for premium real estate and hospitality through our specialized agent partners.

Why Do You Need Property Insurance?

Safeguarding your owned or rented property and its contents is imperative. Our property insurance offers crucial protection against covered perils like fire, wind, water, and theft, helping ensure that your valuable assets are protected from unforeseen events, allowing you to focus on the seamless operation and success of your real estate or hospitality business. Other coverage features include:

- Business Income Coverage
- Equipment Breakdown Coverage
- Backup of Sewer and Drain Coverage
- Flood Coverage
- Earthquake Coverage
- Ordinance and Law Coverage
- Wine Coverage

Proactively Managing Risk

Your Berkley Luxury Group insurance solution extends past coverage. Designing a program custom-fit to your business, we take a proactive approach to risk through our in-house consultative risk management services. We also provide a digital resource library that covers everything from emergency preparedness and machinery overviews, to safety tips and maintenance guides.

Additionally, we offer contract review to all of our insureds through our industry specialized, in-house legal counsel.
