

Auto Insurance

With exceptional service and responsiveness, we provide auto insurance for premium real estate and hospitality through our specialized agent partners.

Why Do You Need Auto Insurance?

A premium real estate or hospitality business often requires a fleet of vehicles for various purposes, such as transporting clients, staff, and equipment, as well as for valet services in the case of hospitality establishments. Berkley Luxury Group's auto insurance offers comprehensive coverage for rented, leased, and non-owned vehicles. Coverage highlights include:

- Hired Auto Coverage
- Non-Owned Auto Coverage
- Property Damage
- Liability Coverage
- Protection for Employees

Proactively Managing Risk

Your Berkley Luxury Group insurance solution extends past coverage. Designing a program custom-fit to your business, we take a proactive approach to risk through our in-house consultative risk management services. We also provide a digital resource library that covers everything from emergency preparedness and machinery overviews, to safety tips and maintenance guides.

Additionally, we offer contract review to all of our insureds through our industry specialized, in-house legal counsel.
